A Message from Pageant CEO ~ Susan Jeske

On behalf of the Ms. America® Pageant, we would like to welcome the Class of 2014 outstanding state and regional titleholders and thank you for joining us in this exciting and historical event.

The Ms. America® Pageant was founded in 1997 and was created to promote, honor and advance the status of women, celebrate their accomplishments, encourage involvement in community service and to use the “Crown for a Purpose” to make a difference.

It's an honor to have such exceptional state and regional titleholders from across the nation come together to participate in the 2014 pageant. We have found them to be intelligent, beautiful and vibrant individuals who are special with their own unique interests, accomplishments and aspirations that reflect the American Woman. It is my wish that each of you will leave with great memories, strong friendships and an enriching experience.

We would like to extend a sincere “thank you” to Chiniqua Pettaway, MS. AMERICA® 2013, Robin Griffin, Ms. AMERICA® INTERNATIONAL 2013 and to Stacy Smith – MS. INTERNATIONAL 2013. Chiniqua, Robin and Stacy are excellent role models for their peers and those aspiring to be the next MS. AMERICA®, MS. AMERICA® INTERNATIONAL and MS. INTERNATIONAL. Their dedication and commitment to using the “Crown for a Purpose” where they volunteered hundreds of hours to various charities, has made these three national titleholders an inspiration to women everywhere. Congratulations to Chiniqua, Robin and Stacy for receiving the PRESIDENTIAL AWARD from the President of the United States for their volunteer service. We extend our warmest wishes to them as they begin the next chapter in their lives.

The Ms. America® Pageant would like to thank all the volunteers and sponsor's whose efforts before, during and after the pageant made this event a reality and will remain a vital part of its success. Applause – appreciation – and much love is extended to MyDeeSigns LLC, Michael Osbourn, Chelsea Kellner, Gina Rhodes, Kris Watson, Elaine Brammel, Heidi Ritz, Mark Jeske, Tony Lattimore, JMI, Mr. & Mrs. Basinight, David Biber and Gina Waggener.

Three women will become National Titleholders and for the next year they will hold the most coveted titles for women 26 years of age and up in the United States! As MS. AMERICA®, MS. AMERICA® INTERNATIONAL and MS. INTERNATIONAL™, their year can be filled with travel where they will be able to advance humanitarian projects, meet notable accomplished people and celebrities and use the “Crown for a Purpose” in order to make a difference. This is truly an once-in-a-lifetime opportunity and I look forward to witnessing them reap all the benefits as I did when I was MS. AMERICA® 1997.

With continued support, I will do my best to improve and expand the Ms. America® Pageant Inc. in order to continue to celebrate and “Empower Women Across The Nation!”

Warmest Regards,

Susan Jeske

Ms. America 2014

Chiniqua Pettaway

As Ms. America 2013 I utilized my platform to travel this amazing country to mentor, volunteer, advocate, host, speak, and make celebrity appearances and more. I've had the opportunity to welcome children back to school in the DC area, participate in celebrity basketball camps, attend award shows and red carpet events, model in premier fashion shows, partner with the Texas Heart Institute, extend my portfolio with a vast number of photo shoots, judge beauty contests, media interviews and service my community through volunteerism.

In between my pageant appearances, working on my M.A. in Industrial Organizational Psychology and running my income tax offices managed to keep me pretty busy. Needless to say, this was one roller coaster ride of a year and I wouldn't trade the experience for anything in the world.

This year I was supported by so many individuals that have helped to guide me. Thank you for the prayers, laughter, encouragement and inspiration. I can't express my gratitude for without such wonderful people in my life I wouldn't have been able to share my gifts around the country.

Mom & Dad, You raised a kind, loving, god fearing, ambitious young women and you taught me to pursue my dreams and never settle. I would not be the woman I am today without your continued love, support and encouragement. I love you both!!

Sister, because we are 10 years apart I've always tried to be the best big sister and lead by example. Nothing makes me more proud than knowing you have made great choices in life because the proper example has been set. Thank you for following my lead and I hope I continue to make you proud. I love you very much!!

All of my family and friends, your warm and loving support helped me to have an amazing year and I thank each and every one of you for your emails, letters, Facebook posts, phone calls, texts and prayers.

Thank you to the Ms. America Pageant and its sponsors for creating this life changing opportunity that presents women over the age of 26 the ability to broaden their platforms, extend their personal and professional network and most importantly, be passionate in pursuing and achieving their dreams and goals. Thank you for this platform to represent you and share my talents with so many people. I'm excited for future Ms. America titleholders and look forward to seeing their individual journeys. I'm elated that I entered the pageant and was honored to win and serve as your Ms. America 2013.

Highlights From The Year

Ms. America International 2013 Robin Griffin

I am so honored to have been Ms. America International 2013. I have had a very fulfilling year! I was able to support many different charities, raise money, make a difference, create awareness and help those in need. I was a speaker, host, emcee, celebrity, mentor and volunteer. I loved hosting fashion shows, charity events, pageants and interviewing people on the red carpet. I was lucky enough to be on a few TV shows, Southland, NCIS and "What's up Orange County." I love acting and public speaking. I find it very challenging.

With over 60 films, TV shows, commercials and music videos, I would like to continue pursuing my dreams as an entertainer. I am currently working on getting my own TV show and Reality show. I want to thank the Ms. America organization and Susan Jeske for her professionalism and for the opportunity I have had this year! I have been fulfilling my dreams.

I want to thank my friends & family. I would like to thank my mom for always being there, my husband for his love and patience, Rebecca & Paul for your help, Brian Bishop for filming me at different events and Michael Dean for your support. I wish the new title holder the best year ever! Follow your dreams, they can come true!

Stacy Smith

Ms. International 2013, Stacy Smith was born in San Luis

Obispo on February 14th, 1983 to parents Janet Trimmer and Patrick Smith. Since Stacy could walk she has always enjoyed performing in front of an audience, beginning at home with her parents and two brothers, Ryan and Jason. Developing from this, she soon discovered her passions in life to be beauty, dance, and charity work through volunteering. Stacy has a background of more than 20 years in performing in dance recitals throughout the world. From these experiences, she gained the confidence and maturity to progress into modeling and acting. After attending the

University of Idaho and graduating with a major in Journalism Mass Media and a minor in Dance Choreography, she decided to enroll in cosmetology school. Immediately finding this the perfect fit for her, upon graduation she began to professionally apply these skills and founded in 2011 her own company, OC Hair and Makeup where she manages a team of stylists working with brides and undertaking numerous formal events. It is through this high level of artistic ability and dedication that OC Hair and

Makeup has been voted the #1

Beauty Service of Orange County of 2013 by theknot.com.

Throughout her community, Stacy is known as a strong leader who enjoys giving back to those around her. She has dedicated herself to her charity of choice, Parent Project Muscular Dystrophy. This lifelong commitment began at an early age as her older brother Ryan was unfortunately born with the disease, and Stacy works hard to get the community involved to raise awareness and to find a cure. Not only does Stacy lead by example, but she is also a working mom with a four-year-old son named James, and even though she has an abundance of responsibility, she always makes time for her son to give him the

love and care that he needs to grow up to be a healthy, educated individual and the best reflection of all that is good in her.

TESTIMONIALS

“Kelly was great as the publicist for the 2012 Ms. America Pageant and was able to secure me the cover on Tiara Magazine when I won Ms. America International 2012”
Carla Gonzalez, Ms. America International 2012

“Kelly has been able to increase the net proceeds from Bash and to KSBR by increasing both in-kind and cash sponsorships, and by leveraging the Bash to create a separate event that has the potential to nearly double our annual fundraising. Her marketing experience helped us to receive unprecedented nationwide media exposure to both the Bash and to KSBR.”
Terry Wedel, General Manager KSBR Radio 88.5FM www.KSBR.org

“Kelly was instrumental in securing participation for several Ms. Senior California women in “Inside Edition”, on a live feed to Studio 10 in Australia, and on a Chinese television network show. These international presentations of our program and our women occurred only through Kelly’s efforts and her familiarity with facilitating this type of event. It could not have happened without her!”
Pamela Wheeler, CEO Ms. Senior California Pageant www.MsSRCalifornia.org

“Bennett Productions Unlimited has given my professional cosmetic practice a greater level of public visibility than I ever expected. Kelly is thorough, creative, and very personable. She has lived up to all her promises and has definitively helped my public visibility.”
